The McDonald College prides itself on being one of the most prestigious performing arts schools in the country and it is important that our students of all ages understand that it is part of their discipline to come dressed and groomed appropriately for class. All students taking a Classical Ballet class with us must come with their hair in a ballet bun, and boys must look presentable. Below is a list of our Uniform requirements for specific levels.

We are proud to have a strong business relationship with the internationally renowned brand of dance wear **BLOCH**. The McDonald College and BLOCH have been in partnership for over 30 years and generously provides our families with an exclusive Privilege Card Program which offers discounts on all BLOCH products purchased in-store.

OPEN CLASSES

Students who participate in an Open Class are welcome to wear any colour and style of leotard they like. Hair must be in a ballet bun.

ALL OTHER CLASSES

Students participating in other classes are encouraged to wear comfortable, loose-fitting clothing with breathable fabric, however, there are no set uniform requirements. Room temperatures vary from studio to studio so it is recommended that all students bring a jumper to class during the colder months.

Merchandise items such as water bottles, hoodies and t-shirts are available to purchase from the After Hours reception area.
