Create Account

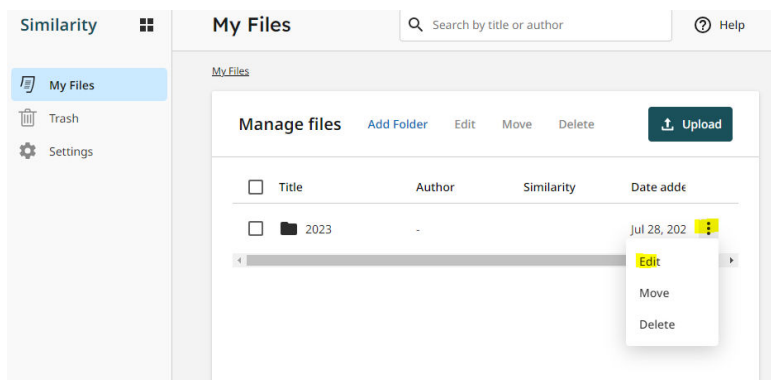

**Step 4:** click on “**Launch**” from Turnitin Similarity section OR “Turnitin Similarity” from the icon next to Main Menu

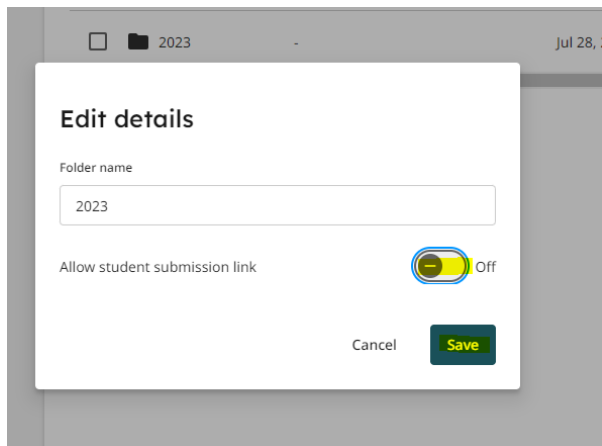

**Step 5:** click on ‘**Add folder**’ and create a folder name.

**Step 6:** click on 3 dots and then click **Edit**.

**Step 7: Turn on 'Allow student submission link'.**

**Edit details**

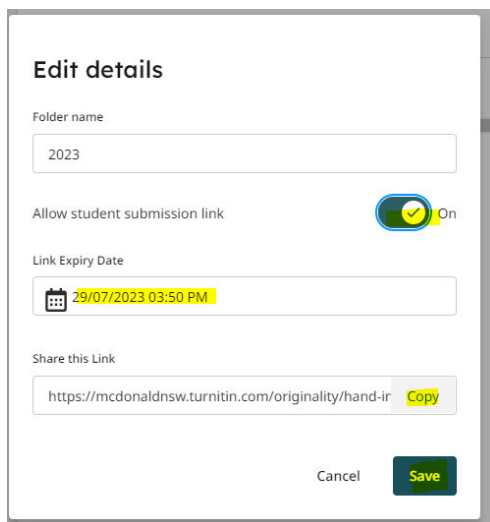

Folder name

2023

Allow student submission link  Off

Cancel Save

**Step 8: Share the link with the students - copy and paste it to OneNote with your activity assessment. Make sure you set the 'link expiry date' - assessment due date. Click on 'Save'.**

**Edit details**

Folder name

2023

Allow student submission link  On

Link Expiry Date

 29/07/2023 03:50 PM

Share this Link

Cancel Save

**Step 9: Below is what students see once they click on the link. Students will need to fill in some details of their work. Once submission is made, you will find it in the folder just created with plagiarism reports.**

**2022**

Fill in the details below to submit your file to Turnitin. Turnitin will check the text within your file for similarities and dependent on the account settings; it may be included in our database to be used for similarity checks in the future.
